Attention: Mr. B. J. Ambrose, Office Manager  
East Pgh. Patent Division

Gentlemen:

This is to acknowledge receipt of your letter of 27 June 1955 requesting permission to file a single consolidated report of royalties under the provisions of paragraph (b) of the Royalty Reporting Clause of ASPR 9-110 in lieu of furnishing individual reports under paragraph (a) of the Clause.

The request is approved with the understanding that you are to furnish at least ten (10) copies of the consolidated report of royalties to this office as soon as practicable after the close of each accounting period of your Company and that, regardless of the aforesaid accounting periods, at least one royalty report will be rendered annually. In this connection, it is requested that you notify this office of the dates of your accounting period.

It is to be understood, however, that this approval of your request does not constitute approval of the royalties listed on the report and does not affect the rights of the Department of the Navy to obtain from you such additional information as from time to time may be specifically requested.

A copy of this letter may be submitted to any Navy contracting officer in lieu of royalty reports required in individual contracts pursuant to ASPR Clause 9-110(a).

Sincerely yours,

*W. F. Hossfeld*
